The place where we are is the place where nature is not. It was a practical law that would ensure good order and deter the temptation toward the path of tyranny by any subsequent federal government.

The Moon: 365 reflections

Before the gathering of archaeological evidence, studies of the Battle of the Little Big Horn relied solely on highly contradictory historical documentation, which was easily manipulated in support of one or another preconceived notion of Custer and his men. We believe this moment is asking something new and outrageous from all of us: to embark on an uncharted path, filled with complex and moving variables, while supporting and caring for each other as we face the emotional, relational, economic, environmental and social challenges we are immersed in.
