## **The Social Entrepreneurs Handbook: How to Start, Build, and Run a Business That Improves the World**

I've already talked about the achievements of our Government and how we're continuing to work in areas of cybersecurity to keep our kids safe from predators and the work that's done by the team, and I commend Peter Dutton for the work that he's been doing, particularly. I think, however, that the skeptic who denies the existence of Jesus of Nazareth is going too far in their thinking.
