The Story of Max Copper Million

The same result is obtained when someone reads the German text, even though that person may not master the German language.

Unlimited Pleasure

Eventually the hero will overcome these trials and move on to the next step.

The Good Earth - Introduction to Earth Science

Orfila who had published a work on the various species of poisons, without indicating any curative means; I addressed a copy of my Contre-poisons to this enlightened physician, who, undoubtedly too busy, neglected to acknowledge receipt of it; but, three months later, he dealt with the same subject as my work, and the resemblance of our works was so complete, even in the error circumstance of which I was very flattered ... Thanks to his powerful contacts, it seems that Orfila managed to make arrangements with other members of the French government.

Knowing, Growing, and Going With God: A 365 Day Devotional

Carmentis or a local nymph of the Arcadians called Themis.
