## **The American Planter; Or, The Bound Labor Interest in the United States**

Suffragettes were believed to be responsible but there was no proof against. Every room, so lately palpitating with energy, lively conference, and the bandying of quick retort and laughter, was now silent as the void after a thunder-clap, and to my senses seemed as threatening; so that when my father, examining some newly arranged pile, shot a stream of glaring light into the distant mystery, it was to my awed mind like

the flash of a searching eye from another world.

### **Marine Biomes (Greenwood Guides to Biomes of the World)**

The existing small holes that define stucco work also enhance the contrast of light and depth. II Department of Information.
