Gleichschaltung, ensured that the only poetry was that encouraged by the regime. This week, he sought temporary asylum in Russia. It will provide the assistance needed to build successful active learning environments in their classrooms. In the city, when the word came to him, he walked about at night through the streets thinking of the matter and when he had come home and had got the work on the farm well under way, he went again at night to walk through the forests and over the low hills and to think of God.

In his youth he had been so fond of water, any small lake or stream or pond. Next
